# T-1000

**ALAN OLDHAM** has been called “Detroit Techno’s Renaissance Man,” equally known for his art as for his music under the stage name **DJ T-1000**.

The Detroit-born polymath has released music on such esteemed labels as Tresor, BPitch, Djax-Up-Beats, Third Ear, Suspected, and his own Generator and Pure Sonik imprints.

As an artist/designer, Oldham has done label art and covers for Transmat, +8, Djax-Up-Beats, De:Tuned, Houndstooth, New Religion and others.

He has mounted gallery shows in Berlin, Detroit, Amsterdam, Paris, and Vienna.

As an international techno DJ, Oldham began his career in the early 90s alongside Mad Mike, Robert Hood and Jeff Mills in the legendary techno band **Underground Resistance**.

He continues to play clubs and festivals worldwide including: Awakenings (Amsterdam), Movement (Detroit), Tresor (Berlin), Blitz (Munich), C12 (Brussels), Fold (London), Womb (Tokyo), Void (Shanghai), and many other global destinations.
